Shamrocks MC put together a Las Vegas style party that just does not quit. Every year this event gets bigger and bigger and there seems to be no cap on the amount of good friends and good time had by those in attendance. Thank you to the Shamrocks MC for yet another spectacular event. Top notch effort here.

The JCR Honda, Lucas Oil, Maxxis, Fly, Von Zipper, Alpine Star Honda of Trevor Stewart jumped out to an early lead and put about 11 seconds on the pack. By lap 6, Trevor had spread the gap to almost 15 seconds. The gap tightened to the white flag as the lead had shrunk to just 2 seconds. At the end, Stewart held off all challengers and brought home the win by a very close 5 second margin.

With the second win of the season for Stewart, he has taken over the WCGP Pro Class points lead. 3 more events left in the season. Can he keep the Honda up front till the end?

The leader of the group chasing Stewart was the 777 Chaparral, MTR, Precision Concepts, FastHouse, Maxxis Kawasaki of **Blayne Thompson**. Thompson grabbed 2<sup>nd</sup> in the first lap as Stewart statched the lead out in front of him. He put together a monster effort to reel back in the eventual points leader to miss the top step by just 5 seconds.

This was Thompsons best finish of the season and pushed himself past Eric Yorba for 4<sup>th</sup> place in the Points Race.

Below, 557 **Kailub Russel** on the FMF, Factory Racing KTM rounded out the top three in the WCGP Pro Class.

Kailub had a rough start, ending the first lap in a distant 7<sup>th</sup> place. By lap 4, he had made it on to the podium and stayed in 3<sup>rd</sup> until the checkered flag.

Along with the 3<sup>rd</sup> in the WCGP Pro race, Kailub Russel followed it up with an overall win in Race 15, Heavy Weight Expert.

Clay Hengeveld was the top finisher in the WCGP Pro II Class. He was also 9<sup>th</sup> overall.

Mitch Anderson was 2<sup>nd</sup> WCGP Pro II

**JP Alvarez** was 3rd WCGP Pro II

**Lauren Woods** led every lap of Race 2 – Women, Vintage, and Minis on her MMR, Maxxis KTM.

**Kirby Cooper** was the fastest Revolution Class rider on the Desert Cycle Works Honda.

**Robby Bell** took home a stacked Vet class win on the Chaparral MTR, Precision Concepts, FastHouse, Maxxis, Kawasaki.

The WCGP Pro and Pro II class was photographed by Mark Kariya.  
The Class winners for each of the other races was photographed by Photos By Grumpy

The Pro Circuit KTM of Mikayla Neilson entered all three kids races and overalled all three of them. It was a pretty great performance by this young lady.

Mikayla also picked up three class wins as well: WCGP Girls Junior A, Girls Senior Advanced, and Girls Junior Advanced.

The last time **Beau Baron** did not win a Quad race at a Big 6 event was October 3<sup>rd</sup>, 2015 at the Viewfinders GP. The win at Primm this year was an extremely impressive 19<sup>th</sup> win in a row. Baron is on the CST, Sparks, X-Brand, IMS, Sun-star, Hinson, Works Connect Honda. Keep it up Beau!

Craig McCall took home the Magnum class win on the white KTM.

Top Side Car Pilot was the Burns Racing, Marks Performance Yamaha of Michael Burns Junior.

Jordan Johnson-Rose was the winner of the WCGP Nov/Beg race on Saturday.

Ty Davis shows up and does what he does... wins races. Davis on a Kawasaki is just about unbeatable. He stretched out a 1:30 lead over a stacked field with names like Mark Tilly, Richard Pratt and Johnny Campbell.

# From the Secretary's Desk - Sheri Kibbe

Hey Race Fans!!

Here are some things you should know.....

You can earn 2nd place points for helping out with Rescue 3, Inc. Riders are allowed 2 sets of 2nd place points in one racing season. If you are a member of a club, you usually earn those points from helping out with hosting your club's event.

*What if you aren't a member of a club or what if your club puts on a 1 day event?*

If you volunteer your time with Rescue 3, Inc., you can earn work points. Rescue 3, Inc. does not require that you have first aid knowledge. They need people who can ride and know the desert.

By helping out, it allows them to split up their teams. So instead of two R3 members riding together, those members can split up into two teams pairing up with D37 riders, allowing them to cover more areas. Rescue 3, Inc. does not allow their members to ride alone, so you would be a big help just being there to ride with them.

For more information, email Andrew McDaniel at [motomojave@yahoo.com](mailto:motomojave@yahoo.com) or Matt Brillinger at [bombproof.racing@gmail.com](mailto:bombproof.racing@gmail.com)

Rescue 3, Inc. not only assists with D37 racers, but they are in the OHV areas with the most traffic assisting with racers and with the general public.

*Did you know that Active Duty Military get a discount on AMA District 37 Competition cards?*

All Active Duty Military receives one free competition card per year. All you have to do is see Brian Nasif and he will hook you up. Active Duty Military can also volunteer time with Rescue 3, which will count towards your community service hours.

Many of our riders may never need the help of this charity, and we of course hope you never do. But this is a great way for our family to take care of our own.

At just about every D37 function, there is a bucket there to donate to the RHR fund. This money can be used by you if you run into a problem participating in one of our events. Give what you can, when you can.

The Riders Helping Riders Dual European Scrambles is a huge fund raising event for this charity. Thank you to all that participated by volunteering, racing or donating.

Jacob Argubright, on the Chidester Transport Racing Yamaha was able to take the victory in both Heavy Weight, Light Weight and Light Weight 2 Expert Races.

Ryan Wilson took both ATV races at RHR. That was win 8 and 9 this year.

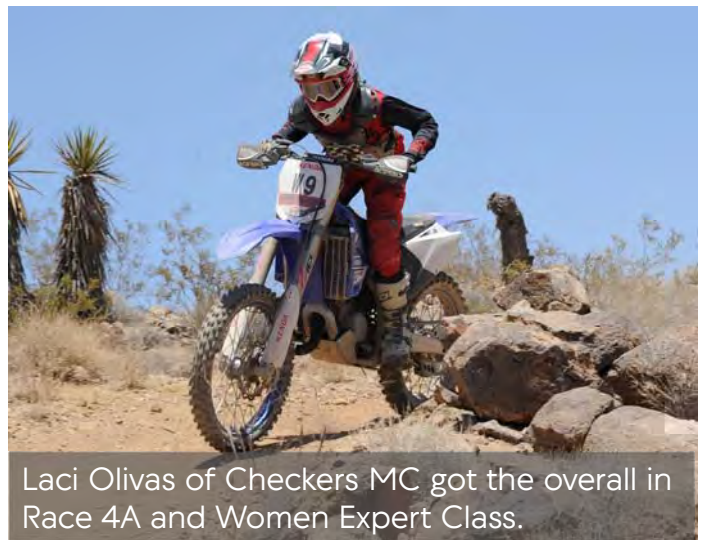

Cordis Brooks edged out James Miller for Master Expert Class win.

John Cleveland took home both Senior races and the Sen Lwt Int class as well.

Steve Roberts won both Senior Races at RHR.

Laci Olivas of Checkers MC got the overall in Race 4A and Women Expert Class.

Dave Olivas was fastest Veteran in Race 5B.
